TEACHING EXPERIENCE

Student Teacher, 11th Grade Biology, Arvin Sloane High School, Belle Isle, IL

Spring 2015

- Developed innovative lesson plans including special projects as assigned by department head.
- Coordinated local recycling center visit and class discussion to increase student awareness of environmental impact, decreasing disposable water bottle usage by 20% among students.
- Established science learning center and led two advanced scientific web research groups.
- Co-organized fall science fair, resulting in participation rates among the highest in recent years.

Participant, Teach Around the World Program

Summer 2014

- Spent 14 weeks in workshops and seminars with experienced teachers in the United Kingdom, Romania and Denmark.
- Presented selected science lectures to students and offered hands-on demonstrations to inspire curiosity.
- Adapted theoretical and practical teaching methods used in host country's educational systems.

Science Tutor, Romulan Middle School, Riker, IL

April 2011 – Dec 2013

- Tutored students in science, math and physics in a government funded program to narrow the gap between state standards and student performance.

ADDITIONAL WORK EXPERIENCE

Various Positions, Dominick's Finer Foods, Inc., Bajor, IL

June 2010 – Present

- Began as Bagger, promoted to Cashier then Assistant Manager within 4 months.
- Supervise and train two high school-aged assistants.
- Troubleshoot, assist customers with special requests, and order all supplies to ensure organizational efficiency.

PERFORMANCE EXPERIENCE

Member, UIC Music and Drama Department ensembles

Aug 2011 – May 2013

- Performed front and back of the theater functions in a range of productions and recitals, gaining experience in both performing and troubleshooting to ensure the success of school events.
